

1. Military Air Flight

Date: June 7, 2017

Itinerary: (b) (6), (b) (7)(C) to (b) (6), (b) (7)
(b) (6), (b) (7) to (b) (6), (b) (6),
(b) (6), (b) (7)(C) (b) (6), to (b) (6), (b) (7)(C)

Cost of flight: \$36,068.50

Arrangements: The President of the United States directed a White House Support Mission to be provided by the White House Military Office for Administrator Pruitt. The flight was paid for by the EPA via an interagency agreement with the Department of the Air Force.

EPA Employees: E. Scott Pruitt, Administrator

Lincoln Ferguson, Senior Advisor to the Administrator
Kevin Chmielewski, Deputy Chief of Staff of Operations
b(6) (b) (7)(E), (b) (7)(F)

Justification: Given the time constraints due to Administrator Pruitt's participation in an event with the President of the United States, scheduled meetings with Vatican officials the next day, and his subsequent engagement in G7 bi-lateral meetings and discussions, there were no viable commercial flights that would allow him to make the final flight out of the United States to Rome, Italy on June 7, 2017. Additionally, reciprocity restrictions in conjunction with our federal agent's firearms, changing airlines and complying with the Federal Fly America Act regulations created further impediments to the Administrator's ability to fulfill his scheduled obligations.

Notes: Expenses under this reimbursable interagency agreement are for the Administrator's travel provided by the White House Military Office for transport from (b) (6), (b) (7) to (b) (6), (b) (7)(C) (b) (6), (b) (7) on June 7, 2017 for the purpose of enabling Administrator Pruitt to meet his scheduled commitments at the Vatican and at the G7 bi-lateral meetings as mentioned in the previous paragraph. Reimbursement in the amount of \$36,068.50 was for a total flight time of three hours and thirty-five minutes at a cost of \$10,075.00 per hour. Flight time included round trip for the aircraft to travel from and to its home base.

2. Charter flight via Interagency Agreement with the Department of the Interior

Date: July 27, 2017

Itinerary:

(b) (6), (b) (7)(C) (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) to (b) (6),
(b) (6), (b) (b) (6), (b) (7)(C)
(b) (6), (b) (7)(C) : (b) (6), (b) (7)(C) (b) (6), (b) to (b) (6), (b) (7),
(b) (6), (b)

Cost of Flight: \$14,434.50

Arrangements: The flight was arranged and paid for by the EPA.

EPA Employees: E. Scott Pruitt, Administrator
Elizabeth (Tate) Bennett, Deputy Associate Administrator, OCIR
Lincoln Ferguson, Senior Advisor to the Administrator
Amy Graham, Deputy Associate Administrator, OPA
Sarah Greenwalt, Senior Advisor to the Administrator for Water and Cross-Cutting Issues
Daisy Letendre, Senior Advisor for Policy and Strategic Communications
b(6) (b) (6), (b) (7)(C)

Justification: Due to the remote location of (b) (6), (b) (6), the (b) (6), (b) (7)(C) (b) (6), is too small to accommodate commercial aircraft. In addition, given the Administrator's schedule and because there is no commercial aircraft available to (b) (6), the Administrator needed to use the services of a chartered aircraft to travel from (b) to (b) (6). The time constraints on the Administrator's schedule did not allow the Administrator to travel by ground transportation as it would have been five hours of travel time, one way.

Notes: On July 27th, 2017 the Administrator departed at approximately (b) (6), from (b) (6), (b) (7)(C) on a charter aircraft to (b) (6), (b) (7)(C) to meet with Gary Weabie of the Panhandle Irrigators Association, and landowners whose farms have been affected by the Waters of the United States rule. At approximately (b) (6), the Administrator departed (b) (6), (b) (6), by ground transportation and returned to (b) (6), to depart to (b) (6), (b) (7), arriving at approximately (b) (6),. In Oklahoma City the Administrator met with members of the Oklahoma state government. The Administrator departed (b) (6), (b) (7) at approximately (b) (6), to return to (b) where he had an early morning meeting the next day.

3. Private Air Charter, Mayo Aviation

Date: August 4, 2017

Itinerary: (b) (6), (b) (7)(C) to (b) (6), (b) (7)(C)

Cost of Flight: \$5,719.58

Arrangements: This flight was arranged and paid for by the EPA.

EPA Employees: E. Scott Pruitt, Administrator
Lincoln Ferguson, Senior Advisor to the Administrator
Amy Graham, Deputy Associate Administrator, OPA
b(6) (b) (6), (b) (7)(C)

Justification: On August 4, 2017, the flight the Administrator intended to take from (b) (6), to (b) (6), (b) (6) was delayed ultimately for eight hours, which would have caused him to miss a mission critical meeting at Gold King Mine. That meeting involved the Colorado Congressional delegation, the Governor, and key community leaders and stakeholders, and it was essential that the Administrator attend. There were no other available flights from (b) (6), to (b) (6), that would have worked with the scheduled meeting. Staff also looked into flights from airports near to (b) (6), into (b) (6), or other locations near Gold King Mine. There was only one seat available on a plane with the Governor, so without the Governor removing someone else from the trip that was not an option either. There was a decision to secure a flight with a commercially-available charter service (<http://mayoaviation.com/charter/>) at a cost of approximately \$5,700.

Notes: The purpose of the trip was to allow the Administrator to scheduled commitments as specified in the previous paragraph. The length of the trip was two hours.

4. North Dakota State Aircraft

Date: August 9, 2017

Itinerary: (b) (6), (b) (b) (6), (b)

Cost of Flight: \$2,144.40

Arrangements: This flight was arranged by the State of North Dakota.

EPA Employees: E. Scott Pruitt, Administrator
Millan Hupp, Director for Scheduling and Advance
b(6) (b) (6), (b) (7)(C)

Justification: The Governor of the State of North Dakota offered seats on a state-owned plane to transport the Administrator and his staff to this event. There is no government rate established for this route. The Administrator and his security detail are entitled to business class accommodation due to security concerns. This in-kind contribution by the State of North Dakota was approved by the EPA Ethics office (see attached approval forms).

Notes: This flight was to enable the Administrator to participate in a roundtable discussion and a tour of the University of North Dakota's Environmental Research Center.

OFFICE OF
GENERAL COUNSEL

MEMORANDUM

SUBJECT: Request for Authorization for Government (Military) Aircraft Travel

FROM: Kevin S. Minoli
Acting General Counsel

A handwritten signature in black ink, appearing to read "KSS", is written over the name "Kevin S. Minoli".

TO: Ryan Jackson
Chief of Staff

This memorandum responds to your request for my review of whether the circumstances regarding the Administrator's schedule and obligations on June 7, 2017 and June 8, 2017, satisfy the standard for the authorized use of a government aircraft for one portion of the necessary transportation between those obligations, and, if so, your request for my authorization, pursuant to 41 CFR sec. 301-70.803(b). Because I conclude that the regulatory and other standards are satisfied by the circumstances as they have been provided to me, this memo provides authorization for the Administrator and required accompanying EPA staff to travel from Cincinnati, Ohio, to the John F. Kennedy International Airport (JFK Airport) in New York, New York, on a military aircraft operated by the United States Department of the Air Force. The travel will occur today, June 7, 2017.

The Administrator is currently scheduled to depart Washington, DC, to travel to Rome, Italy, later today (June 7, 2017) as the lead official on a diplomatic mission for the United States Government. While in Italy, the Administrator is scheduled to represent the United States at the G-7 Environment Ministerial, in bi-lateral meetings with individual Environment Ministers, in bi-lateral meetings with the Vatican, and in meetings with United States businesses that have locations in Italy. This official, mission-critical travel has been coordinated with the Department of State and the local United States Embassy. See attachment 1, "Notional Itinerary for EPA Administrator Mission to Italy."

In addition, the President directed Administrator Pruitt to accompany the President today (June 7, 2017) aboard Air Force One and travel to Cincinnati, Ohio, to attend and participate in water infrastructure-related public events. See attachment 2, "The Visit of the President to Cincinnati, OH Wednesday, June 7, 2017." As explained in the June 7 memoranda from the Deputy Chief of Staff respectively, the Administrator's original travel itinerary had to be changed to depart for Italy from Cincinnati, Ohio, instead of Washington, D.C., given the need to immediately travel to Cincinnati to support the Presidential event. See attachment 3, Email from John Reeder, Deputy Chief of Staff, to Kevin Minoli, Acting General Counsel, and Elise Packard, Acting Principal Deputy General Counsel, June 7, 2017. According to the attached schedules, the Administrator

will not complete his obligations with the President until 2:05 p.m. Currently, the Administrator is scheduled to depart JFK Airport at 7:35 p.m. I understand from the information provided to me by you and the attached email from the Deputy Chief of Staff that there are no commercial flights leaving Cincinnati, Ohio for JFK Airport that would arrive in time for the scheduled flight to Italy. I also understand from you that there are no other viable flight itineraries that would arrive in Italy on schedule have been identified.

EPA's use of non-commercial travel services is governed by OMB Circular A-126, OMB Bulletin 93-11, and the Federal Travel Regulations at 41 CFR parts 301-10 and 301-70. Under these policies and procedures, the "agency's senior legal official or his/her principal deputy must authorize all travel on Government aircraft by senior Federal officials on a trip-by-trip basis, in advance and in writing." 41 CFR sec. 301-70.803(b). Travel can be authorized on government aircraft in three situations:

- a) Mission Requirements. The activities undertaken on the trip are operational functions that are necessary to discharge an agency's official responsibilities. Examples include transportation of troops or equipment, evacuation, intelligence gathering or counter narcotics work, search and rescue, transportation of prisoners, and scientific applications such as research that requires the use of aircraft for experiments;
- b) Required Use. Travel via government aircraft is authorized if it is for the purposes of bona fide communications (e.g., 24-hour secure communications) or security reasons (e.g., highly unusual circumstances that present a clear and present danger) or exceptional scheduling requirements (e.g., a national emergency or other compelling operational considerations); or
- c) Other Official Travel. Official travel that does not qualify as a "mission requirement" or "required use" travel may be undertaken in a government aircraft in limited circumstances. EPA must determine that no commercial service is reasonably available to effectively fulfill its requirements (i.e., no commercial service must be able to meet the traveler's departure and/or arrival times within a 24-hour period unless extraordinary circumstances justify a shorter period or that the actual cost of using a chartered aircraft is less than the cost of commercial airline service).

See, OMB Circular A-126, OMB Bulletin 93-11, and the Federal Travel Regulations at 41 CFR parts 301-10 and 301-70. I evaluated this travel request under the "required use" and "other official travel" Standards. Regarding "required use", OMB Circular A-126 states that a "required use" travel determination must be consistent with established agency policies for determining when such use is permitted. The EPA's Travel Manual states in relevant part:

...use of a federal government aircraft, chartered or federal government owned, must comply with the OMB Circular A-126. The EPA must need the service to fulfill a mission requirement, exceptional scheduling, communication or security requirements, or there is a substantial cost savings to the federal government.

Referring back to the standard for a “required use” authorization described above, use of a government aircraft may be authorized for one of three reasons: 1) bona fide communications; 2) security; or 3) exceptional scheduling considerations. The requested travel on a government aircraft is not necessary for communications or security reasons. There are, however, exceptional scheduling considerations that satisfy the standard for authorizing this travel on a government aircraft. The Administrator’s schedule requires him to accompany the President in Cincinnati, Ohio, today, June 7, 2017, and requires him to represent the United States Government at previously-scheduled meetings in Rome, Italy tomorrow, June 8, 2017. Both obligations have been deemed critical to the mission of the agency. The temporal proximity and geographic distance between the two obligations jointly constitute an exceptional scheduling requirement.

In order to authorize travel on a government aircraft under the “other official use” standard, it must be determined that no commercial service is reasonably available to fulfill the agency’s requirements. This is generally established when there is no commercial service available to meet the traveler’s departure and/or arrival times within a 24-hour period, unless extraordinary circumstances justify a shorter period. Here, the extraordinary circumstances described above justify a shorter period of consideration other than 24-hours. Additionally, based on the information provided to me by you and in the attachments, there is no commercial service available to meet the agency’s travel need.

Based on the information provided to me, I authorize the use of government aircraft for the Administrator’s travel today (June 7, 2017) from Cincinnati, Ohio, to JFK Airport based on the conclusion that the travel satisfies both the “required use” standard and the “other official travel” standard for such an authorization. My review and authorization is limited to the authorization to travel on a government aircraft; it does not represent any other required authorizations or approvals, such as those necessary under EPA’s Travel Policy, nor does it represent the authorization or approval of the individual trips themselves.

OFFICE OF GENERAL COUNSEL

MEMORANDUM

SUBJECT: Approval of Request for Charter Services

FROM: Elise B. Packard *EBP*
Acting Principal Deputy General Counsel
Office of General Counsel

TO: Kevin Chmielewski
Deputy Chief of Staff for Operations
Office of the Administrator

This memorandum responds to your request for authorization for the Administrator, seven EPA staff, and a non-federal employee to use charter aircraft on July 27, 2017. I have concluded that the circumstances you have provided in your request satisfy the regulations and policies governing EPA's use of charter aircraft. I am therefore authorizing the individuals listed in your request to travel on the Department of Interior's aircraft on July 27, 2017 from Tulsa, OK to Guymon, OK and from Guymon to Oklahoma City, OK.

As provided in your request, the Administrator, seven EPA staff, and one member of the media, are scheduled to use charter aircraft on the morning of July 27, 2017 to travel from Tulsa to Guymon for the purpose of meeting with landowners impacted by EPA's Waters of the United States Rule. The same individuals will then fly on the charter aircraft from Guymon to Oklahoma City to meet with state officials.

EPA employees

An agency's use of charter services is governed by OMB Circular A-126, OMB Bulletin 93-11, and 41 CFR §§ 102.33, 301-10.260 –10.266. Under these policies and procedures, OGC may authorize EPA employees to travel on charter aircraft in three situations:

- a) Mission Requirements. The activities undertaken on the trip are operational functions that are necessary to discharge an agency's official responsibilities. Examples include transportation of troops or equipment, evacuation, intelligence gathering or counter narcotics work, search and rescue, transportation of prisoners, and scientific applications such as research that requires the use of aircraft for experiments.
- b) Required Use. EPA can charter aircraft for its officials under this type of authorization for the purposes of bona fide communications (e.g., 24-hour secure communications) or security reasons (e.g., highly unusual circumstances that present a clear and

present danger) or exceptional scheduling requirements (e.g., a national emergency or other compelling operational considerations).

- c) Other Official Travel. Official travel that does not qualify as a "mission requirement" or "required use" travel may be undertaken by chartered aircraft in limited circumstances. To meet this test, EPA must determine 1) the travel is for the purpose of conducting agency business and 2) no commercial service is reasonably available to effectively fulfill EPA's requirements or that the actual cost of using a chartered aircraft is less than the cost of commercial airline service.

Here, the travel satisfies the criteria of "other official travel" because the travel is for the purpose of conducting agency business and there are no commercial aircraft that offer flights to Guymon. As stated in your request, the purpose of the visit to Guymon is to meet with Gary Weabie of the Panhandle Irrigators Association, and landowners whose farms have been affected by the Waters of the United States Rule. Your request also provides that Guymon is in a remote location and Guymon Municipal Airport is too small to accommodate commercial aircraft.

Non-federal employee

Under 31 U.S.C. § 1345, EPA funds are not available to pay for the transportation of non-federal employees to meetings (a term DOJ's Office of Legal Counsel interprets broadly) unless otherwise authorized by law (such as under invitational travel orders, as authorized by 5 U.S.C. §5703). Absent such authority, a non-federal employee may travel on government aircraft only if he or she is occupying a seat that would otherwise be vacant. That is, non-federal employees may ride along only if the vehicle has available extra seats, and EPA does not expend any additional funds to accommodate the non-federal employees (e.g., EPA does not rent a larger vehicle to accommodate the non-federal employees).

It is permissible for the member of the media noted in the request to accompany the EPA employees on the charter flight because we have determined that s/he will be occupying a seat on the aircraft that would otherwise be vacant. Therefore, EPA will not be spending appropriated funds on a non-federal employee.

Conclusion

Based on the information provided to me, I authorize the use of government aircraft for the requested individuals on July 27, 2017 from Tulsa to Guymon and from Guymon to Oklahoma City. Travel on a charter service is appropriate here because the purpose of the trip is to conduct the Administrator's official business of studying the impact of EPA regulations on farmers, and the town is not accessible through commercial means. The member of the media may also accompany the EPA employees on the flight because there is no additional cost to the Agency to accommodate him or her.

OFFICE OF GENERAL COUNSEL

MEMORANDUM

SUBJECT: Approval of Request for Charter Service from Denver to Durango

FROM: Kevin S. Minoli 
Acting General Counsel
Office of General Counsel

TO: Kevin Chmielewski
Deputy Chief of Staff for Operations
Office of the Administrator

This memorandum responds to your request for written approval for the Administrator and three EPA employees to use a charter service to fly from Denver to Durango, CO on August 4, 2017. I have concluded that the circumstances you have provided in your request satisfy the regulations and policies governing EPA's use of charter aircraft. I am therefore, memorializing my prior verbal approval of your request.

On August 4, 2017, the Administrator and his staff were scheduled to attend a meeting at Gold King Mine, near Durango, to discuss the mine spill with the Colorado Congressional delegation, the Colorado Governor, key community leaders, and stakeholders. The Administrator was scheduled to take a commercial flight from Denver at 9:10 a.m. that would arrive in Durango at 11 a.m. When the Administrator and his staff arrived at the airport in Denver for their departure to Durango, they learned that the flight had been delayed. The delay pushed the flight's arrival time beyond the Administrator's scheduled meeting time at Gold King Mine.

Pursuant to OMB Circular A-126, in emergency situations, EPA's General Counsel or Principal General Counsel may give prior verbal approval of the Agency's use of a charter service and after-the-fact written certification. In this case, the Administrator urgently needed a mode of transportation to make his meeting and did not have sufficient time to request formal approval from OGC. I was contacted by the EPA's Chief of Staff, Ryan Jackson, to provide verbal approval of the use of a private charter service. Based on the facts presented to me, I gave my verbal approval for the Agency's use of a charter service, which I believed qualified as "other official travel" under GSA's authorized uses of charter aircraft. Ryan Jackson agreed to deliver the appropriate paperwork to OGC the following week so I could provide my formal approval. This information was documented in an email dated August 4, 2017.

An agency's use of charter services is governed by OMB Circular A-126 and 41 CFR §§ 102.33, 301-10.260 –10.266. Under these policies and procedures, one of the three situations in which OGC may approve EPA's use of a charter service is for "other official travel." To meet this test, EPA must determine 1) the travel is for the purpose of conducting agency business and 2) no commercial service is reasonably available to effectively fulfill EPA's requirements or that the actual cost of using a chartered aircraft is less than the cost of commercial airline service. Here, the travel satisfies the criteria of "other official travel." As stated in your request, the purpose of the Administrator's visit was to meet with state representatives and stakeholders to discuss EPA's response to the Gold King Mine spill. You also state in your request that there were no alternative commercial flights that would allow the Administrator and his team to make the meeting on time.

Based on information provided to me, I am formally authorizing EPA's use of a charter service from August 4, 2017 from Denver to Durango. If you have any questions regarding this memorandum, please do not hesitate to contact me (202-564-8040) or Stephanie Rich (202-564-4963).

MEMORANDUM

SUBJECT: Justification for Charter Services for the Administrator

**FROM: Kevin Chmielewski,
Deputy Chief of Staff for Operations**

**TO: Kenneth Redden,
Acting Associate General Counsel,
Civil Rights and Finance Law Office**

This memorandum requests that the Office of General Counsel approve the use of charter services for the Administrator under the circumstances set forth below. If you have any questions regarding this matter, please contact me at 202-564-3140 or Millan Hupp of my staff at 202-564-1748.

JUSTIFICATION FOR AIRPLANE CHARTER IN COLORADO

The Administrator and other EPA employees visited Gold King Mine in Durango, Colorado. The following employees are traveled via charter from Denver to Durango on August 4th:

E. Scott Pruitt, Administrator
Pasquale Perrotta, Protective Security Detail
Lincoln Ferguson, Senior Advisor to the Administrator
Amy Graham, Deputy Associate Administrator, OPA

PURPOSE

Administrator was scheduled to be at Gold King Mine for a tour and meeting beginning at 11AM. His flight was scheduled to land in Durango (1 hour, 45 min) from Gold King at 9:10AM. The traveling EPA staff did not learn of the delay until arrival at the airport in Denver that morning. The flight continued to be delayed, all the while they searched for alternative options. None became available and with no indication for an immediate depart for the already scheduled commercial flight, the decision was made to pursue a charter plane in order to fulfill the mission.

Therefore, the Administrator departed from Denver, CO on August 4th, 2017 via a charter aircraft to Durango, CO to make a mission critical meeting at Gold King Mine. This meeting involved the Colorado Congressional delegation, the Governor, and key community leaders and stakeholders, and it was essential that the Administrator attend. The Administrator's original commercial flight was delayed beyond the timeframe for the scheduled meeting. Thus only allowing for the option to use a charter aircraft.

Subject: Update on Administrator's Travel Today
Date: Friday, August 04, 2017 12:58:12 PM

All- I wanted to provide an update on the Administrator's travel situation today. As those of you who are in the office know, the flight the Administrator intended to take from Denver to Durango today was delayed to such a degree that he would miss a mission critical meeting at Gold King Mine. That meeting involved the Colorado Congressional delegation, the Governor, and key community leaders and stakeholders, and it was essential that the Administrator attend. Based upon my conversation with Ryan Jackson, there were no other available flights from Denver to Durango that would have worked with the scheduled meeting. People also looked into flights from airports near to Denver into Durango or other locations near Gold King Mine. While there was one potential alternative identified that had one seat available (and the airline may have gone as far as to reserve that seat in case we determined it would meet the travel needs and requirements), Ryan's understanding from the security detail was that there was not any additional seat for a Special Agent to accompany the Administrator and, therefore, that flight did not meet the travel and security needs. Similarly, there was only one seat available on a plane with the Governor, so without the Governor removing someone else from the trip that was not an option either. After calling and consulting with me, there was a decision to secure a flight with a commercially-available charter service (<http://mayoaviation.com/charter/>). Ryan relayed that the cost was approximately \$5200. Ryan will deliver all of the paperwork to the AO team and us on Monday when they return to the office. At that point will we document the oral consultation and conclusion more formally.

AO folks, I cc'd you so everyone had awareness of where things stand from my perspective. If you want to talk through any aspect of this understanding today, please give me a call.
